

Call for speakers & poster
ESPC3 - 3rd European Sustainable Phosphorus Conference
Helsinki, Finlandia Hall, 11-12 June 2018

Presentation proposals are invited **until 28th February 2018 latest**, by email to info@phosphorusplatform.eu within the themes indicated below:

Overall conference objectives:

- Update on implementation of EU Commission Consultation on Sustainable Phosphorus, 2013 <http://ec.europa.eu/environment/consultations/pdf/phosphorus/EN.pdf> and www.phosphorusplatform.eu/scope107
- Follow-on from 1st and 2nd ESPC conferences, see: *SCOPE Newsletters 92 and 111* www.phosphorusplatform.eu/scope92 and www.phosphorusplatform.eu/scope111
- Make links with soil organic carbon sequestration and climate change
- Innovation and policy in different sectors concerned by phosphorus sustainability: agriculture and fertilisers, food industry, dietary choices and health, industrial applications, trade and resources (EU Critical Raw Materials), recycling, Nutrient Circular Economy and environmental impacts
- Development and implementation of nutrient recycling in Finland
- Showcase innovation and business success stories in phosphorus management
- Global scientific call for phosphorus sustainability

Specific sessions will address:

- Phosphorus, nitrogen, organic carbon and climate change
- Nutrient circular economy
- Phosphorus in food, from the farm to the consumer
- Ecological nutrient restoration & nutrient recovery from sediments and run-off water
- Tomorrow's agricultural nutrient management and fertilisation
- Policy tools for sustainable use of nutrients
- Flash presentation of business solutions and technologies*
- Flash presentation: successes in nutrient emission abatement and ecosystem restoration*

*Presentations will be 10 or 15 minutes (3 or 5 minutes for flash presentations specified * above). Selected speakers will benefit from free conference entry for the two days (including networking dinner). Selected posters will be displayed free of charge. Limited funding is available for some contribution to travel costs for speakers or conference entry fee for posters in particular justified cases.*

To candidate a presentation, please send by email (by 28 Feb. 2018 latest to info@phosphorusplatform.eu) a 1- page WORD or PDF document including (in this order, in English):

- Specify: proposed presentation / flash presentation / poster – ARIAL 11 italic
- Proposed talk title – max 15 words – ARIAL 14 bold
- Summary of talk content – max 200 words – ARIEL 11
- Name (NAME first in capitals = format 'NAME Givenname'), job title/position, organisation, country and email (obligatory) for lead presenter and also this same information for all co-authors (name of lead author should be underlined) – ARIEL 9
- OPTIONAL: short list of key reference publications, websites or other sources of background and supplementary information

Please note that **stands** will also be available to companies, organisations or R&D projects wishing to present their products or actions: 2 500€ (not including conference entry fee), 50% discount for ESPP members/partners. High visibility Conference Partner Packages are also available (details on request). Conference entry fee is 300€ for companies, 150€ for ESPP members, 100€ for students, researchers, NGOs, etc.
